DETAILED ACTION
EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dominic Tuccio on 5/22/08.

The application has been amended as follows:

Cancel claims 3, 5, 7, 9, 11, 13, 15, 22 and 24.

Amend claim 1 as follows:

1. (currently amended) A semiconductor device comprising:
 - a radiating plate; a semiconductor chip bonded onto the radiating plate;
 - a rectangular-shaped resin wall which surrounds the semiconductor chip bonded to the radiating plate, said rectangular-shaped resin wall having a first pair of opposing sides and a second pair of opposing sides;
 - a conductive member extending through one of the first pair of opposing sides of the resin wall and retained by the resin wall, said conductive member is electrically connected to the semiconductor chip; and a resin lid bonded to an upper end of the resin wall, said semiconductor

chip is sealed in a space enclosed by said radiating plate, said resin wall and said resin lid, said radiating plate extends outward of said second pair of opposing sides of said resin wall; [.]

wherein the radiating plate has end portions formed integrally at both ends of a center portion of the radiating plate, the lower end of the resin wall is bonded to said center portion, and said end portions are exposed through the resin wall.

Allowable Subject Matter

Claim 1 is allowed.

The following is an examiner's statement of reasons for allowance: The Examiner's rejection of claim 22 was reversed by the Patent Board of Appeals and Interferences. Claim 22 depends directly from claim 1. The Examiner's Amendment above modifies claim 1 to include the limitation of claim 22- and effectively places the subject matter of claim 22 in independent form and is hereby allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
